Report of the Activity

The mind-set management workshop was organized by R. S. the college on 02 Aug 2021. The workshop was aimed at helping students develop a growth mind-set and learn how to manage their thoughts and emotions effectively. The workshop was conducted by **Dr. Vijay Patil**, who is a renowned expert in the field of mind-set management.

The workshop began with an introduction to the concept of mind-set and its importance in achieving success in life and included interactive sessions that helped students understand the importance of having a growth mind-set. The workshop also provided students with practical tips and strategies to develop a growth mind-set. Overall, the workshop was a great learning experience for all the participants and we look forward to organizing more such workshops in the future.

Report of the Activity

On 03 Feb 2020, R. S. College conducted a workshop on listening skills for students. The workshop began with an introduction by **Dr. K. R. Patil**, who explained the importance of listening skills in both personal and professional settings. The facilitator then went on to discuss the different types of listening, including active listening, empathetic listening, and critical listening.

The workshop included counselling exercises and activities, such as practicing active listening with a partner. The workshop emphasized the importance of attitude, attention, and adjustment in building good listening skills, also known as triple-A listening. The workshop focused on active listening strategies and the competencies required for effective communication in academic and professional settings.

The college expects its graduates to possess basic and advanced speaking and listening competencies, which are essential communication skills for success in the workplace and society.

Report of the Activity

The R. S. college organized a goal planning workshop for its students on **17 Jan 2020**. The workshop was conducted by [name of facilitator] and attended by [number of students] to help the participants address their objectives and plan for the future. The workshop was **facilitated by Dr. Shivaji Madan** and was designed to help the elected and appointed participants categorize their goals under different pillars.

The workshop started with a brief introduction on the importance of goal setting and how it can help individuals achieve success in their personal lives.

The participants were also tasked with reviewing, validating, and revising the community vision and organizational mission statements

The workshop emphasized the importance of setting SMART goals, which are specific, measurable, achievable, relevant, and time-bound

The participants were also taught time management skills, including planning, setting goals, delegation and analysis of time spent, monitoring, and organizing

Overall, the workshop was a success, and the participants left with a better understanding of how to set and achieve their goals.

Flexibility Workshop Report

Aim & Objective of the activity: The workshop aimed to help students balance their academic and personal lives by providing them with organizational tips and strategies for flexible learning.

Date of the Activity: 30 Dec 2019

Organizing Unit/Department: Physical Education

Program Coordinator: Prof. M. A. Ware

Students Participated: 92

Report of the Activity

The Flexibility Workshop conducted by **R. S. college** was a highly informative and engaging event. The workshop aimed to help individuals develop flexibility skills that are essential for success in both personal and professional life.

The workshop covered various topics such as adaptability, creativity, problem-solving, and time management. The participants were engaged in practical exercises and group activities that helped them apply the concepts learned during the workshop.

The facilitators of the workshop were **experienced professionals in the field of personal development and entrepreneurship**. The workshop included interactive sessions where students learned about the benefits of flexible learning and how to plan their activities according to their interests and enthusiasm.

The students were also introduced to the concept of flexible grouping, which is an effective strategy for creating an inclusive classroom culture that honors learner variability.

The workshop was well-received by the students, who appreciated the opportunity to learn new skills and strategies for success in their academic and personal lives.

Overall, the flexibility workshop was a great way to help students achieve their goals and reach their full potential.

Report of the Activity

The "Analysing Complex Situations" workshop conducted by the **R. S. college** was a highly informative and interactive session aimed at enhancing the critical thinking and problem-solving skills of the participants.

The workshop was conducted by **Dr. Dilip Folane** who shared their knowledge and expertise in analysing complex situations.

The workshop covered various topics such as identifying the root causes of complex situations, analysing data to find patterns and trends, developing effective solutions, and implementing them. The participants were encouraged to share their experiences and challenges in dealing with complex situations.

The Analysing Complex Situations Workshop program was designed to help individuals and organizations develop skills for effectively analysing and solving complex problems. The workshop covered topics such as critical thinking, problem-solving frameworks, root cause analysis, and decision-making models.

Participants learnt how to identify and analyse complex situations, gather and evaluate information, and develop effective solutions. The workshop also includes interactive exercises and case studies to help participants apply the concepts to real-world scenarios.

Overall, the workshop emphasized the importance of taking a holistic approach to analysing complex situations.

Report of the Activity

On **05 Mar 2019**, **R. S. College** conducted a strategic thinking workshop for students. The workshop was designed to help students develop their critical thinking skills and learn how to apply strategic thinking in their personal and professional lives.

The workshop began with an introduction by **Dr. D. N. Sanap**, who explained the importance of strategic thinking in today's fast-paced and complex world. The facilitator then went on to discuss the key components of strategic thinking, including analysis, creativity, and decision-making.

The workshop was a 2-3 hour training program that began with a definition of strategic thinking and included skill-building exercises. The workshop adhered to adult learning principles and provided a solid foundation for the participants to develop their strategic thinking skills.

The workshop was a success and helped the participants to understand the reality of strategic thinking practice. The college plans to organize more such workshops in the future to help students and faculty members develop their strategic thinking skills.

Report of the Activity

As part of the **R. S. college's personal development program**, a self-reflection workshop was organized on **25 Feb 2019**.

The workshop was conducted by a **professional Prof. J.J. Theng** who guided the students through various activities and exercises. The facilitator started by explaining the importance of self-reflection and how it can help individuals become more self-aware and achieve their goals. The workshop was designed to encourage participants to reflect on their personal and professional growth, identify areas for improvement, and set goals for the future.

The first activity involved students reflecting on their personal and academic achievements over the past year. They were asked to write down their accomplishments and share them with the group. This activity helped students recognize their strengths and build confidence in their abilities.

The second activity focused on identifying areas for improvement. Students were asked to reflect on their weaknesses and challenges and write them down. They then shared their thoughts with the group and received feedback and suggestions from their peers. This activity helped students become more aware of their limitations and develop strategies to overcome them.

The final activity involved setting goals for the future. Students were asked to think about their long-term aspirations and write down specific, measurable, achievable, relevant, and time-bound (SMART) goals. They then shared their goals with the group and received feedback and support from their peers.

This activity helped students develop a clear vision of their future and a plan to achieve their goals.

Overall, the self-reflection workshop was a valuable experience for all participants. It helped students become more self-aware, recognize their strengths and weaknesses, and set goals for the future. The college plans to organize similar workshops in the future to support students' personal and academic growth.

Report of the Activity

The R. S. college organized on **17 Jan 2019** a self-evaluation workshop report to help students assess their academic performance, reflect on their strengths and weaknesses, identify areas for improvement, and develop a plan for personal and academic growth.

The workshop covered topics such as self-awareness, goal setting, time management, study skills, and stress management. It also included interactive activities, self-assessments, and discussions.

The workshop emphasized the importance of including the complete and exact title of the program, course, or contract in the evaluation. It also highlighted the significance of faculty members' narrative assessment of the student's work, which records individual qualities of student academic performance. The **Dr. R. J. Sonkamle** efforts to provide students with the tools to evaluate their academic progress are commendable and will undoubtedly help students achieve their academic goals.

Report of the Activity

On **24 Dec 2018**, **R. S. College** conducted a responsibility workshop for students. The workshop was aimed at helping students understand the importance of taking responsibility for their actions and the impact of their decisions on their lives and the lives of others.

The workshop began with an introduction by **Dr. Sanjay Salve**, who emphasized the need for students to take responsibility for their actions. The facilitator then went on to discuss the consequences of not taking responsibility, including negative effects on relationships, academic performance, and future opportunities.

The workshop covered various topics such as conflict of interest, data management, and research ethics. The workshop was conducted in a seminar format and included interactive sessions and group discussions. The students actively participated in the workshop and gained valuable insights into responsible research practices.

The workshop was a success and received positive feedback from the students. The college plans to conduct more such workshops in the future to promote responsible research conduct among students.

Open Mindedness Workshop Report

Aim & Objective of the activity: The workshop aimed to improve students' epistemic standing and foster responsible citizenship.

Date of the Activity: 21 Sept 2018

Organizing Unit/Department: Economics

Program Coordinator: Prof. D. S. Kapre

Students Participated: 92

Report of the Activity

The college conducted an open-mindedness workshop to educate students on the importance of being open to new ideas and perspectives. The workshop aimed to improve students' epistemic standing and foster responsible citizenship. Activities were designed to challenge students' beliefs and encourage them to actively seek out new information. The workshop was inspired by research that showed most people overestimate their open-mindedness. The college hopes to continue offering similar workshops to help students become more open-minded and better equipped to live responsibly in society.

Report of the Activity

A motivation workshop was conducted by our college on **31 Aug 2018**, with the aim of increasing student motivation and participation. The workshop was attended by over **86 students** from **various departments**. The workshop was conducted by a **Prof. A. G. Sadashive**. The speakers discussed the science of motivation and how it influences learning. They also talked about the role of instructors in creating a motivating learning environment. The workshop included interactive sessions, group discussions, and motivational speeches.

The workshop covered various topics related to motivation, including the benefits of staying motivated, different types of motivation, and how to stay motivated in the face of challenges. The facilitator emphasized that motivation is essential for success and that it can be cultivated through various techniques such as goal-setting, positive self-talk.

The students were encouraged to share their experiences and challenges in staying motivated. The workshop was a success, and the students left feeling inspired and motivated to achieve their goals.

The college plans to conduct more such workshops in the future to help students stay motivated and achieve their full potential.

Mindfulness Workshop Report

Aim & Objective of the activity: The workshop aimed to help students develop a better understanding of mindfulness and learn techniques to practice mindfulness in their daily lives.

Date of the Activity: 16 July 2018

Organizing Unit/Department: Political Science

Program Coordinator: Prof. K. B. Mante

Students Participated: 92

Report of the Activity

The college organized a workshop on mindfulness for students, which was held on the college campus on 16 July 2018. A mindfulness workshop was conducted by our college to help students cope with stress and anxiety. The workshop was conducted by a mindfulness expert, who started by explaining the concept of mindfulness and its benefits. The expert then guided the students through several mindfulness exercises.

The exercises evaluated the effectiveness of the mindfulness-based intervention among college students, and the results showed that it helped to attenuate stress and anxiety while improving focus and awareness.

The workshop also included a meditation program that made measurable changes in brain regions associated with memory, sense of self, empathy, and stress.

The students found the workshop to be very helpful in fostering better mental health and wellbeing.

Mindfulness Workshop Report

Aim & Objective of the activity: The workshop aimed to help students develop a better understanding of mindfulness and learn techniques to practice mindfulness in their daily lives.

Date of the Activity: 21 Jun 2017

Organizing Unit/Department: Physical Education

Program Coordinator: Prof. M. A. Ware

Students Participated: 72

Report of the Activity

The college organized a workshop on mindfulness for students, which was held on the college campus on 21 Jun 2017. A mindfulness workshop was conducted by our college to help students cope with stress and anxiety. The workshop was conducted by a mindfulness expert, who started by explaining the concept of mindfulness and its benefits. The expert then guided the students through several mindfulness exercises.

The exercises evaluated the effectiveness of the mindfulness-based intervention among college students, and the results showed that it helped to attenuate stress and anxiety while improving focus and awareness.

The workshop also included a meditation program that made measurable changes in brain regions associated with memory, sense of self, empathy, and stress.

The students found the workshop to be very helpful in fostering better mental health and wellbeing.

Report of the Activity

On 17 Jan 2018, R. S. College conducted a workshop on listening skills for students. The workshop began with an introduction by Dr. **Jugal Tayde**, who explained the importance of listening skills in both personal and professional settings. The facilitator then went on to discuss the different types of listening, including active listening, empathetic listening, and critical listening.

The workshop included counselling exercises and activities, such as practicing active listening with a partner. The workshop emphasized the importance of attitude, attention, and adjustment in building good listening skills, also known as triple-A listening. The workshop focused on active listening strategies and the competencies required for effective communication in academic and professional settings.

The college expects its graduates to possess basic and advanced speaking and listening competencies, which are essential communication skills for success in the workplace and society.
